

He Pito Mata Early Career Researcher Forum Committee - Session Chairs

Session Chair Responsibilities

1. Introducing the speakers at the beginning of the session.
2. Making sure each speaker begins/ends at the time allotted.
3. Facilitating Q&A discussion after each presentation, including preparing questions in advance to 'spark' discussion.
4. Thanking the presenter(s) at the end of the session.
5. Encouraging attendees to complete the question posed at the end of the session. Note a QR code will be shown on the screen at the end of the session, which will lead attendees directly to an online form.
