# ORCID's role in upholding research integrity

# Key Message

The more **fully-populated ORCID records** and integrated systems there are, **the more value all stakeholders can gain** from adopting ORCID.

# Integrations Utilised by the Consortium

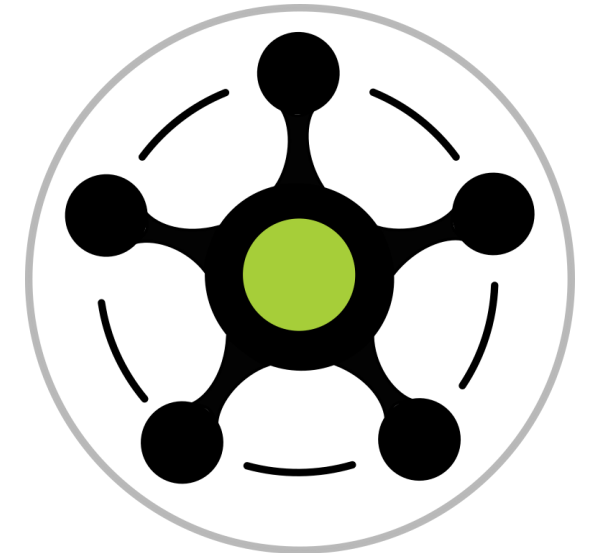

- Symplectic Elements
- Open Journal Systems
- ORCID Affiliation Manager
- Custom In-house Integrations
- Eprints Repository System
- Exploro Repository System
- Pure
- NZ ORCID Hub

25 members have a NZ ORCID Hub integration

# What is the NZ ORCID Hub?

- The New Zealand ORCID Hub is a free tool that allows all Consortium members to productively engage with ORCID regardless of technical resources.
- The Hub saves researchers' time, as they don't have to update their ORCID record themselves
- Recognised as an ORCID certified service provider
- Allows login via Tuakiri or via ORCID

The screenshot shows the 'Edit' page for a user profile in the NZ ORCID Hub. The navigation bar at the top includes links for Home, About, FAQ, Your ORCID, Your People, Tasks, Settings, and Hub Admin. Below the navigation bar, there are tabs for 'List' and 'Edit'. The 'Edit' page features a horizontal menu with options: Affiliations (selected), Fundings, Peer Reviews, Works, UrIs, and Other Names. A dropdown menu is open under 'Affiliations', listing: Employment, Education, Distinction, Membership, Service, Qualification, and Invited Position. The form fields on the right include: Name (Tifany Oulavallickal), Email Address (tifany.oulavallickal@royalsociety.org.nz), PPN (empty), and ORCID iD (0000-0002-1438-0476). At the bottom, there are three buttons: Save, Save and Continue Editing, and Cancel.
