AOTEAROA TRI-ACADEMY
INDIGENOUS SUMMIT

Indigenous Fellows, thought leaders, and knowledge holders from Aotearoa New Zealand, Canada, and Australia will progress the kaupapa (agenda) of collaborative international Indigenous-led research.

Summit themes

- 1

Leading and shaping international research agendas to include Indigenous knowledges and practices to solve pressing challenges.
- 2

Transforming academia for Indigenous peoples: addressing structural racism, epistemic violence, and inequities within academia to reduce barriers for Indigenous scholars and students.
- 3

Indigenising the academy by ensuring shared decision-making and genuine recognition of Indigenous knowledge and scholarship.
