

New Zealand Institute of Physics Teachers' Development Workshop: Back to Uni

A full day of challenging professional development for secondary school physics teachers, aimed at providing an opportunity to practice physics at a level higher than the NCEA curriculum.

- **Dates:** 24th & 26th October 2018
- **Locations:** 24th Oct: Canterbury University; 26th Oct: Waikato University
- **Time:** 9:00 am – 5:00 pm
- **Presenters:** Prof. Michele Governale & Assoc. Prof. Ben Ruck
- **Full catering provided**
- **Cost:** Free assuming you or your school hold some form of membership with NZIP
- **The day:** tutorial style sessions with an emphasis on problem solving, plus ample opportunity for informal discussion of physics concepts
- **Topics may include:**
 - Quantum mechanics
 - Angular momentum
 - Relativity
 - Magnetic Resonance Imaging
 - ...
