Track^{our} travel

Travel our Travel is a new online tool that allows schools to track their students travel and create travel maps of their area. It is designed to allow students to enter their own travel data and for class and school reports to be easily created. You can use Track our Travel in conjunction with the WOW Passport Challenge. Students get their Passport cards stamped at the gate then can enter their daily mode online.

Contact the Movin' March Team to register for Track our Travel:

schooltravel@gw.govt.nz

Download the Track our Travel Guide at:

Movin' March | 5 - 29 March 2018

Celebrate the benefits of active travel to school!

Movin' March 2018 aims to make active travel to school fun and easy with the WOW Passport Competition and Park and Stride.

WOW (Walk or Wheel) Passport Challenge

The popular WOW Passport Challenge is back for its third year!

Students who walk or wheel will get their Passport cards stamped and go in the draw for the chance to win a \$300 Avanti voucher.

Find details on how to participate at:

www.movinmarch.com/wow-challenge

Park and Stride

Park and Stride allows all families to participate in the WOW Passport Challenge.

Parents are encouraged to park further away from the school gate and walk or wheel with their children, or drop them at designated points to meet up with friends.

Students get fresh air and exercise on the way to school and develop independence while reducing congestion at the school gate – it's a win win!

Find out how to implement Park and Stride at:

www.movinmarch.com/schools-toolkit

Levels of Engagement

Whole School – Movin' March aims to embed active travel into school culture. A whole school approach to active travel through participation in Movin' March and curriculum integration is key to affecting change in your school.

Syndicate and Classes - If a school is too large or too busy to take part as a whole, it is possible for syndicates or classes to participate in Movin' March separately. The school will still be registered but not every class is required to take part.

Are your teachers too busy to co-ordinate Movin' March? Let us know if you have a parent who may be interested and we can talk them through what is required.

WOW Family Day

Holding a Family Day during Movin' March encourages families to change their routine for one day and give walking and wheeling a go! Celebrate families' efforts on arrival by offering free coffee and holding a Fancy Feet Parade.

Choose a day that works for you, run an event or promotion and invite us along. If we can't attend make sure you send us some photos and a write-up of your day. Let us know your plans and go in the draw for a \$100 Prezzy card.

Find ideas for running your WOW Family Day at:

www.movinmarch.com/wow-day

Poster Competition

Design a poster to reflect the benefits of walking and wheeling.

The regional winners will receive a Panasonic Tough Camera!

www.movinmarch.com/postercomp

Parent Engagement

Share our Facebook memes and parent resources on your school website and Facebook page.

Memes: www.movinmarch.com/wow-day

Parent page: www.movinmarch.com/parents

Parent Photo Competition

Encourage your parents to snap and share a photo during WOW Family Day. All entries will go in to win a family pass to their favourite Wellington Wild Things destinations.

Follow the [Movin' March Facebook](#) page for updates.

Lesson Plans

There are eight lesson plans that work across all curriculum areas to create a Movin' March unit.

www.movinmarch.com/lesson-plans

Class Activities

There are lots more great resources on the website including Map My Journey, Walkability Checklist, Carbon Chatterbox and colouring-in activities.

Active Travel Curriculum Resource

Loved Movin' March?

We're developing a great new curriculum resource in conjunction with EnviroSchools to help schools embed active travel into their school culture.

Due out Term 1 2018.
