NZ ENGINEERING SCIENCE COMPETITION

Do you have what it takes to win $6000?

What: A day long problem solving competition for teams of 3–4 students.

How: Students use their skills in mathematics, physics, computing, logical thinking and writing to answer a problem revealed on the morning of the competition.

When: 10am to 6pm on Saturday 3 August. Registrations close Friday 26 July 2019.

Who: Senior secondary students plus a teacher to supervise.

Why: A chance for fame, fortune and fun! If your team is a winner you get a share of the prize money.

Where: At your school.

Run by: The Department of Engineering Science

Sponsored by: Orion Health and Fisher & Paykel Healthcare
