**Team SAC (Sports students) Munster High School**

**The need:** The PEY funds team conducted a survey and it showed a huge number of students are consuming energy drinks. This puts the sports academy and really see the need to push sports drinks if you play sports this we can start by collecting the amount in individual teams of drinks which you really want them to be appropriate to the

**The opportunity:** Hansells Foods intend to run regular surveys and PEY already conduct sports drinks. We are here to improve people's knowledge so we can be used for energy drinks to sports.

**Aim:** We are a sports group in the sports academy class at our school and we want this to try to get back to the sports energy drinks but to drink sports drinks responsibly for when playing sports.

## Survey Results

## TEAMS

PEY will allow PEY for nutrition without other sports status that consumption

## PEY for nutrition
